The CORE, as the Wortwell Community Centre is now commonly known, is run entirely by volunteers. We now have an active group of resilient villagers who make up the events committee and they are very hard working and willing to take on anything. BUT we always need more volunteers to lighten the load and to bring new ideas. Please contact Mags 01986 788511 or Simon 01986 788789 if you would like to get involved.

We are often asked by people “why don’t **they** do xyz...”

We wonder who this mythical “they” are as the Core is just a few villagers who are already giving their time generously to both run the events and run the centre itself. Please do come forward and help to keep this amazing building serving the village. Anyone with experience of running a Bingo night would be particularly welcome!
